Furthermore, the report quantifies the market share held by the major players of the industry and provides an in-depth view of the competitive landscape. This market is classified into different segments with detailed analysis of each with respect to geography for the study period 2015–2022. The comprehensive value chain analysis of the market will assist in attaining better product differentiation, along with detailed understanding of the core competency of each activity involved. The market attractiveness analysis provided in the report aptly measures the potential value of the market providing business strategists with the latest growth opportunities.

The report also covers the complete competitive landscape of the worldwide market with **company profiles of key players such as** ABB Ltd., Cisco Systems Inc., Honeywell International Inc., Hubbell Inc., Ingersoll Rand Plc., Johnson Controls International plc., Robert Bosch GmbH, Schneider Electric SE, Siemens AG and United Technologies Corp. Geographically, this market has been segmented into regions such as North America, Europe, Asia Pacific and Rest of the World. The study details country-level aspects based on each segment and gives estimates in terms of market size.

### **Table Of Contents- Overview**

- 1.Introduction
- 2.Executive Summary
- 3.Market Analysis
- 4.Commercial Building Automation Market Analysis By Product Type
- 5.Commercial Building Automation Market Analysis By Material Type
- 6.Commercial Building Automation Market Analysis By End-Use Type
- 7.Commercial Building Automation Market Analysis By Geography
- 8.Competitive Landscape Of The Commercial Building Automation Companies
- 9.Company Profiles Of The Commercial Building Automation Industry
