Sensor Tec Xray case

[Ultrasonic sensor technology](#) is a professional R&D, manufacturing and sales enterprise of ultrasonic sensors and sensor applications. With more than ten years of professional experience and advanced manufacturing processes, we are ranked among the international professional ultrasonic sensor companies.

Sensortec Xray

[Xray testing equipment](#) professionally detects defects, such as bubble, solder problem, crack defects, etc. of LED lamp beads, IGBT semiconductors, lithium batteries, IC chips, diodes, etc. Its power of x-ray penetration directly reaches
