Wax melts market growth is generally governed by increasing demand of emulsions as a major manufacturing ingredient in the form of an oil in water emulsion.

This development provides an outstanding impact on several product processing and formulations and further providing numerous technical applications in textile, paper and glass making industry. In addition, subsequent increase in demand of paint, coatings, adhesives and sealants foster the wax melts market demand.

Europe is predicted to experience a balanced growth in the wax melts market due to rise in consumer awareness about synthetic ingredients of these fragrance products, which are less harmful as compared to various other alternatives.

Wax melts market is fragmented into various large and small manufacturers. Major large manufacturers are present in Europe and North America, some of the industry players are Yankee Candle, Scensei, S.C. Johnson, Reckitt Benckiser, Walmart, Rimports Limited, Scentsy, Michaels, Candles by Victoria, AFFCO and East Coast Candles.
